WELCOME

WELCOME TO OUR EXHIBITION

Today's consultation event relates to our proposed development on land located at Charlesfield Lane and Kirkton Road South, Livingston. We are keen to gain the views of the community and local stakeholders and we welcome any feedback you may have on the proposals.

PROPOSAL OF APPLICATION NOTICE

A Proposal of Application Notice (PoAN) was submitted to West Lothian Council on 28th April 2026, indicating our intention to submit a planning application. Pre-application consultations have now commenced, and therefore, statutory consultation is required to be undertaken in accordance with the relevant Regulations prior to the submission of the application. West Lothian Council has registered the submission - Ref. 0368/PAC/26

Two public consultations events are being held in advance of the application submission, so that we can present our proposals for the site to the community and gather your feedback before we submit our planning application.
